pliers crimp HT-2757

A

## Compact, Sturdy, Ratchet, Precise, Effortless

- Compatible with a wide range of die-set for most termination application.
- The ratchet mechanism ensures consistent and accurate crimp result.
- Quick-release ratchet helps to eliminates rejected termination or mis-crimp.
- Precise eccentric with adjustable hand force design achieve optimal crimp performance.
- Compact slim purpose-built allows for better access into confined spaces and easy transport.
- Extended ergonomic dual-color grips for comfort and reduce user fatigue during prolonged use.
